

GEOMETRY

TABLE OF CONTENTS

Suggestions

1. Geometry Identification MatchingMania

- Instructions
- Worksheet
- Geometry Pictures
- Identification
- Definitions

2. Complementary & Supplementary MatchingMania

- Instructions
- Worksheet
- Problems
- The missing angle
- The complement of the angle
- The supplement of the angle

3. Parallelogram MatchingMania

- Instructions
- Worksheet
- The parallelograms
- The solution for x
- The solution for y

4. Parallel Lines MatchingMania

- Instructions
- Worksheet
- The lines
- The solution for x
- The solution for y

5. Polygons MatchingMania

- Instruction
- Worksheet
- The polygons
- The perimeter of the polygons
- The area of the polygons

6. Circles MatchingMania

- Instructions

Worksheet
The circles
The solution for x
The solution for y

7. Prism SA & V MatchingMania

Instructions
The prisms
The surface area of each prism
The volume of each prism

8. Cylinder SA & V MatchingMania

Instructions
Worksheet
The Cylinders
The surface area of each cylinder
The volume of the cylinder

9. Sphere SA & V MatchingMania

Instructions
Worksheet
The spheres
The surface area of each sphere
The volume of each sphere

10. Right Triangle Trigonometry MatchingMania

Instructions
Worksheet
The triangles
The sine ratio
The cosine ratio
The tangent ratio

11. Right Triangle Trigonometry2 MatchingMania

Instructions
Worksheet
The triangles and other figures
The equation necessary to solve the problem
The solution
